

JEZEBEL JENNIE RIDES AGAIN

New turn of events in the Old Settlers' Day Dance sponsored by the Campbell American Legion Post 596 reveals that competition for the Queen of the Day and the Dance has been accelerated by the addition of one more contestant.

Recent entries show a large number of girls actively campaigning for the title of Queen. Among them is Jezebel Jennie from Prune Gulch. Jennie, who interviewed by Bernard Barrett, Committee Chairman for the Dance to be held Tuesday night February 22, stated that her past experiences qualify her to compete. She submitted an application blank in proper order and punctuated it with a burst of fire from her six shooters. Her marksmanship was uncanny. She tossed a pound of prunes up into the air and shot the pits out of every one before they were half down to earth again. She smiled cynically and said, "Put that in your dehydrator." She emphasized the fact that pitting prunes with a six-shooter is just as simple for her as it is to be a cinch winner in the Queen Contest. She said we could quote her that she expects to roll up a comfortable margin of votes. (One ticket sold, one vote.)

After all the shooting was over and the prune pits cleared away, Barrett sent a memo to all contestants to the effect that in all fairness, it would be advisable for potential queens to speed up their ticket sales if they are to take the vote away from Jezebel Jennie. When the dance band plays the triumphal march at the entrance of the Queen, there will be crowned, not Jezebel, but YOU! Just think! Reigning Queen. The most popular girl in Campbell. The most sought after at the Dance where fun and frolic will be the order of the night.

Robinson Tells Kiwanis Aims, Purposes of Scouts

Boy scouts, their aims and purposes, was the theme of the talk given by Kenneth Robinson, Scout Executive, to members of the Kiwanis club at their meeting Tuesday in the Country Woman's club.

Guest this week from the high school was student Harry Pankowski. He was introduced by Laurance Hill. Also at the meeting was queen contestant for Old Settlers' Day Barbara Musler. The senior high student was presented to Kiwanis members by Hans Hansen.

Robinson, who came to the meeting during the scouts 39th anniversary, told the group that the scouts are the largest organization of boys in the world. The scouts present a program for the progressive growth of boys in their various stages of age development," he said. "The boys engage in healthy, self-reliant activities and ultimately make better freedom-loving citizens."

As part of the program a film of the International Jamboree was shown. Chairman for the day was J. B. Arends, Jr.

Next week's guest speaker will be Dr. G. Frassen of Los Gatos. In charge of the meeting February 15 will be Henry Jewell.

Court Ceremonies Impress All

Parents and friends of the Boy Scouts of Campbell jammed the local high school auditorium to watch the awarding of honors to deserving scouts in the District Court of Honor Tuesday evening.

Highlight of the evening was the presentation of the Eagle award to senior scout Edward Roseborough of Post 2, Campbell. Edward's father, Meredith Roseborough, planned the coveted award on his son who in turn recognized the part his parents had taken in his advancement by presenting his mother with a miniature Eagle pin. Looking on at the ceremony was Robert Herschbach, Post 2 advisor, who saw the seventh senior scout from his post receive the high award.

Following the presentation of colors and the pledge to the Flag,

over 100 boys repeated the "Scout Oath" while the audience listened intently. Rev. Lawrence Osborne gave the opening prayer.

Before the awards were presented, George Jeffers, district commissioner, introduced the scoutmasters of the district. They were: J. B. Allcorn, troop 9, Almaden; Jim Olds, assistant scoutmaster, troop 31, Congregational church; Jim Edgmon, troop 32, Methodist church; Ed Carman, troop 34, Cambrian; Floyd Greenleaf, troop 36, West Moreland; Arthur Downing, troop 47, Union. Also introduced were Robert Herschbach, advisor of post 2, only senior unit in the district and Ed Dalzell, commissioner of cubbing, junior branch of scouting.

De Selle Retires As Head Custodian After 13 Years

After serving as head custodian at Campbell Union high school for the past 13 years, Charles De Selle retired last week. His retirement came after the new state law which requires non-certificated school employees to quit work at the age of 70.

"Pop," as he was affectionately called, was known for his cheerful disposition and eagerness to lend a helping hand wherever needed. Students, faculty members and the Board of Trustees presented him with a check last Thursday for the purchase of a 14-foot waterproof plywood skiff which he will use on his frequent fishing trips.

De Selle formerly owned a service station in San Jose and was at one time foreman for the Ainsley Corp. in Campbell.

Manual Vintro, who has been a custodian at Campbell for the past three years, will replace DeSelle.

Mitchell, Art Downing, Ken Jessen and Roy Canavero. Chairman Frank Blaine, troop 32, made advancement presentations to Harold Strong, Harold Shumway, Ron Edelman, Trent Barton, Richard Brown, and Charles Cantoni. Charles Little, troop 34, received his second class award from Martin Farnham.

Awards from troop 38 were made by George Stubbe to scouts Ron Founding, Robert Stubbe, Glen Tuttle, and Raymond Kay. Raymond Narvez, troop 9, received his first class award from troop chairman Stokesbury. Gene Vargas and Bill Lawson received their advancement awards from Glenn Robison, chairman of that troop committee.

Here are nine Campbell men who are in there pitching for the much talked about award to be given to the man with the most whiskers February 22. The men started growing the Old Settlers' whiskers January 10 despite the pleadings and groans of the female population. Shown from left to right, in the back row are Don Rice and Junior Wirth; middle row Claude Duckett, Roy Zimmer, Jack Taylor; front row Louis "Dad" Lee, Joe Humphrey, Cy Penhall and Charles Wightman.

WHEN MEN WERE MEN LOCAL HARDWARE FLOAT TO CARRY 175 YEARS OF LIVING MEMORIES

Take a good look when the Campbell Hardware float drives past your eyes during the Old Settlers' Day parade February 22. Because when it passes you're going to see 175 years of living old western memories on that float and a human story behind it.

On the Campbell Hardware float will be Louis "Dad" Lee and Bill "Happy" Truax, portraying a bit of the Old West. The story? Well, let's go back a few years, 65 or more, when men were men because the women let them think so.

Back when the west was still young and life was an adventure for those who dared there lived two dashing young peace officers who, because they shared common danger, became fast friends.

Eventually, as the country became more law abiding and the need for service became less, they retired to private life. As all friends do they drifted apart and their friendship became just a pleasant memory.

Many years passed and a new century opened before chance brought them together in a then little town called Campbell. They both were thrilled at the renewed friendship as both were to become life-long residents in the same town.

The men, "Dad" Lee and "Happy" Truax, exchanged memories of the days when "Dad" was one of Buffalo Bill Cody's last scouts and "Happy" rode the plains as the "Colorado Kid."

Now in 1949 the old timers will ride together on a float portraying the days of old in the Campbell celebration. Soon "Dad" will celebrate his 91st birthday and "Happy" his 84th.

So take a good look at the Campbell Hardware float. One hundred and seventy-five years of living memories of the Old West will be riding with it on February 22.

Stanford Political Student Talks Of Views On Cold War Before Women Of BPWC At Campbell House

Jack E. Marcum, graduate political science student at Stanford University, spoke before members of the Campbell Business and Professional Women's club Wednesday evening at the Campbell House. Marcum's topic was "Who's Winning the Cold War?"

Presiding over the meeting was president Winifred Goodell who called upon chairman heads to give reports of various committees in the business meeting.

In his talk to the business and professional women, Marcum took both the short and the long term views on the cold war. He emphasized that the views he gave were not his but the views of political speakers and teachers at Stanford.

"We are winning out in the cold war," the captain of the Stanford debate team told the women. "And the people of this country are reacting favorably to the political feeler put out by Stalin when he suggested peace talks with Truman in Russia."

Marcum warned the women to be cautious when they listen to commentators on the radio who delight in stirring up people by giving a distortion of the facts so that their programs might be eagerly awaited. Many of these programs, he said, make people lose their sense of perspective in regard to national issues.

Mrs. Emily McConnell was in charge of the program for the evening.

The women also discussed final plans for the float they will enter in the Old Settlers' Day parade February 22. They also said they will maintain a hot dog and coffee booth at the carnival February 19-22. Two lamps, one of which is on display at Benson's Cleaners, will be a prize the women plan to give at the carnival.

WHEN FATHER CALLED NEW YORK

How in a few short years, Long Distance has speeded service, improved clarity, lowered rates

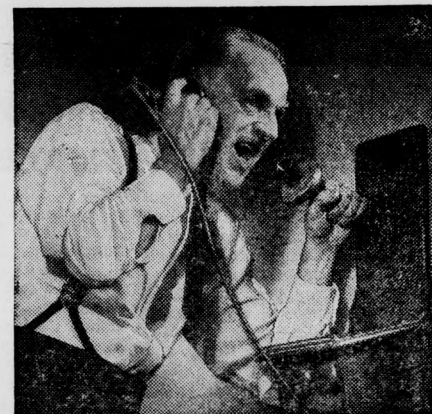

2. Today it's just as easy to talk across the nation as it is to talk to someone just across the table from you. Continual improvements in the telephone instrument you use, in telephone lines and cables, in voice-boosting equipment along the way, make a normal voice carry 3,000 miles or more with ease.

4. Takes less time today to get your connection. Now calls go through in an average of less than two minutes. These are just a few examples of the way telephone service grows in value... becomes a better buy. A local call still costs just a few pennies. Compared to other prices, telephone service is one of your biggest bargains today.

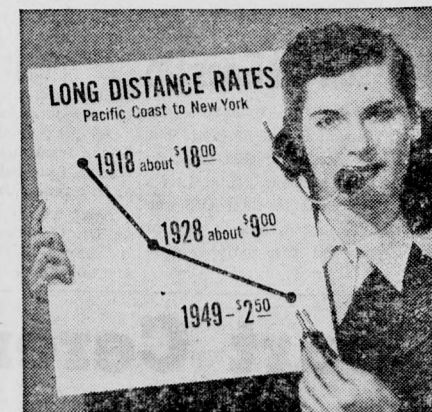

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever better telephone service to the West

1. Back in 1918 it was quite a thing to call long distance all the way across the country. Took a good set of lungs, too. In those days you had to use as much voice to talk long distance as you would in calling to another person eighty feet away across an open field.

3. Rates have gone down amazingly. In 1918, Father paid about \$18.00 for the miracle of talking Coast-to-Coast. Worth it, too. By 1928, we'd been able to drop rates to about \$9.00 for a three-minute station daytime call. And today you can make the same call for just \$2.50, plus tax. Here's one of today's big bargains.

SPOTLIGHTING SPORTS

By
MARV SCARPER

(This column is a new feature brought to the readers of the Campbell Press to give Campbell a more intimate look into the high school sports in Santa Clara Valley in general and Campbell in particular. Marv Scarper, a student at Campbell High, will be your reporter. Any suggestions or comments you would like to give him would be greatly appreciated. The opinions in his column are his own and do not necessarily reflect those of the Campbell Press. Ed.)

Most of the people around Campbell don't seem too happy about the local high schools showing in basketball this season. It is true that the Buccaneers have won only four contests while dropping eleven, but the fact that included in the schedule thus far have been six games with teams from the Peninsula Athletic League as well as the San Jose State freshmen speaks for itself.

In SCVAL play the Campbell varsity has won two while dropping two which is not too bad when one considers that none of the teams they have met have been rated as breathers.

The Red and Blue clad boys will have completed a twenty-one game schedule when the season is over which is quite a lot of games for a high school team. Another factor that must be considered is that there are only four veterans on the squad this year from last year's varsity. The rest of the players have transferred from other schools, moved up from last year's 130 and 120 exponent teams or in the case of some, are out for basketball for the first time.

A better outlook for next year is promised as there only two graduating seniors on the first string and only four on the whole squad. All of this points the way to a very prosperous season next year for the boys under Coach Bill Perry.

In the 130 exponent division the Campbell team has not fared as well as their varsity brothers. The Buc lightweights have won two while dropping twelve. This may seem like a lot of ball games to lose but the baby Bucs have been in there fighting in all of their games. Four or five losses could easily have been victories as they were lost by one and two point margins.

In league play the local lads have dropped four straight, but all of them were to the league's leaders. The 130 squad is mentored by coach Art Swenson.

Wrestling is a sport which generally few people realize exists at Campbell. The wrestling squad is coached this year by Robert Culp assisted by student coach from San Jose State. The "grunt and groan" squad has won two matches and dropped four in league competition and finished third in the Northern California Invitational Tournament at San Jose.

Boys who have been showing up very well are 112-pound Jack Stevens, 145-pound Mike Stepovich and 175 camp Bruce Abernathy. This boy Abernathy, who is wrestling for Campbell for his third straight year, has been champ in his division every year.

These two ball clubs always fight a close battle and both will be high for this game. Flood and Maderis are currently tied for second place in the league standings.

Spartans Take On Cal Poly Tonight In San Jose Gym

The San Jose State college Spartans enter their final month of cage warfare when they play host to Cal Poly Friday in California Collegiate Athletic Association games. On Saturday the University of San Francisco, one of the nation's top-ranking teams, visits Spartan Gym.

Undefeated in four CCAA games, the Spartans could go a long way towards wrapping up the conference title in its game against Cal Poly. Every other CCAA team has lost at least two games. San Jose is defending champion.

The Spartans knocked off their most serious contender San Diego 65-55, Saturday night. Coach Walt McPherson's cagers also dumped the San Jose Mat-Suns, 59-48, and dropped a 58-44 thriller to the Oakland Bitters in play last week.

Stu Inman, although held to six points against San Diego, continues to pace the Spartans with 355 points and an average of 14.8 markers per game. Bob Hagen has averaged 10.3 tallies in netting 237 points, while Don McCaslin is close behind with 227 scores and an average of 9.5. Trailing these high scorers are Bob Wuesthoff, 165, Ralph Romero, 86; Bob Crowe, 64; Chuck Crampton, 55; Bob Ehrenzberger, 52; Dean Giles, 39 and Junior Morgan, 34.

McPherson has been particularly pleased with the recent play of Crowe, Morgan, and Billy Wilson. Crowe practically broke up the game against San Diego with seven points in a little over two minutes late in the second half. Morgan and Wilson both played football and were slow rounding into shape, but both have played key roles in the last three games.

Bucs Tip-Off At 8:45 Tonight

Coach Bill Perry's Buc quintet will play host tonight to the SCVAL league leaders, Washington High in the local gym. Tip-off is 8:45 p.m. The baby Bucs open tonight's play at 7:30 p.m.

Varsity lineup as announced by Perry will start Don Morley and Don Merrill as forwards; Harold Layman, center, and Ron Cantoni, Bob Jordan, guards. Layman is game captain for tonight.

Organists Plan San Jose Program For February 13

A program of much interest has been planned for the next meeting of the San Jose Chapter, American Guild of Organists, which will be held on Sunday afternoon, February 13, at 3 p.m., at the First Congregational church, Third and San Antonio streets, San Jose.

The Student Guild Group from San Jose State college, under the chairmanship of Professor Richard R. Jenson, will present the program. Two sound films, "Music in the Wind," (a history of the organ from ancient times) and "Singing Pipes," a trip through the Cassavant organ factory in Canada) will be shown. Also an organ recital will be presented by some of the members of the student group on the recently rebuilt organ at the church.

A business meeting will follow, with Dean Iru Price presiding, at which time plans for the annual Choir Festival will be discussed. Refreshments will be served during the social hour by the College Group. The public is cordially invited to attend.

San Jose State won six of the 10 California Collegiate Athletic Association championships last year.

SHARPSHOOTER ESTRADA TALLIES 29 TIMES TO BECOME LEAGUE'S HIGHEST INDIVIDUAL SCORER

Sharpshooter Lee Estrada paced the Jones quintet in scoring honors with 29 tallies to down the highly-touted Maderis Food Market 57-22 last night in the local high school gym. Estrada's total is the highest individual total in the Campbell Basketball league this year. Maderis crumbled under the barrage of baskets and never came close to the Jones' boys. It was the first defeat for the Food boys in the second half of league play.

In the other games last night Burbank center came from down under to wallop Strong's Paints 52-27 in their first win in the second half. In defeating Strong's the Burbank basketekers moved into seventh place pushing Strong's into the cellar position. In the nightcap Busy Bee, currently leading the league, defeated the Campbell Hardware by a close 25-21.

On Tuesday night Busy Bee breezed past Burbank Recreation Center 33-14. Jones Service slapped a 42-37 loss on Clark's Drugs and Maderis Foods defeated the Strong Paint outfit 56-38 with Pederson scoring 21 points for the Food quintet.

Mrs. Rex Fuller Receives Life Pin At PTA Program

A PTA Founders' Day program was held at the Campbell Union high school Wednesday afternoon. Mrs. Rex Fuller was awarded the honorary life membership pin presented by Mrs. Clarence Fagaide.

Chief discussion centered around the cake sale to be given Friday, February 18, benefit of the scholarship fund for their yearly excursion to San Francisco.

The PTA also put Saturday evening, March 5, on their agenda for a card party. The proceeds will go to the permanent scholarship association fund.

In connection with Old Settlers' Day, the women decided to maintain a coffee and donut booth at the carnival grounds from February 19-22. All of the proceeds at the various PTA functions will go toward the two \$50 scholarships the PTA plans to donate this year.

Rudy Foglia played a violin solo, accompanied by Jeanette Gomes on the entertainment program for the afternoon. In addition, Thomas Osborne sang, accompanied by Lorraine Wood. Miss Barbara Price of Oakland, who is attending San Jose State college on a four year PTA scholarship, gave an interesting talk of appreciation for her scholarship.

A lavishly decorated Founder's Day cake and coffee were served at the close of the meeting.

SARATOGA LADIES COME TO RESCUE FOR FOOTLIGHTERS' PRODUCTION

The costume committee with Thais Ackerman as its chairman, have been hard at work locating costumes for the Footlighters' coming plan, "Our Hearts Were Young and Gay," by Cornelia Otis Skinner.

The production is set in the early twenties when the styles were somewhat ridiculous as compared with styles of other periods. It will be remembered as a time when there appeared many fluttering draperies, ribbons, laces and scallops with the waist line lowered to the hips.

Clothes of this period have been discarded as obsolete by many people but the Footlighters were fortunate in finding friends who have come to the group's rescue. They are Mrs. C. Neale and Mrs. Frances Boyce, both of Saratoga.

Mrs. Neale heard of the difficulties the Footlighters were having in finding costumes and presented the group with a trunk full of clothes of this period. These garments belonged to Mrs. Neale's mother and were worn during the early twenties. Mrs. Boyce was kind enough to loan the group two costumes which have been in her possession many years.

Much gaiety is expected as the characters appear in these frivolous costumes as well as the many humorous escapades provided.

Give Your Irrigation Pump a Spring Tuneup NOW

Because...

1. This is the so-called "slack" season of the farm year and a good time for maintenance and repair jobs.
2. Pump repairmen are available and there is plenty of time before the irrigation season in which to order necessary materials and parts.
3. A good overhaul job will give you maximum efficiency and increased water flow.
4. By having pump adjustments made now you may avoid a possible breakdown during the critical irrigation season.
5. Doing your Spring pump tuneup job early is good insurance for an adequate water supply when it is most needed.
6. At the time pump adjustments are being made you have a convenient opportunity to clean your well.

Examine your pumping installation and if there is any indication that repairs or adjustments are needed, don't delay but see your pump dealer at once.

THE FARMER'S CORNER

By RALPH H. TAYLOR (Executive Secretary, Agricultural Council of California).

"What difference does one vote make?" Unquestionably Thomas E. Dewey could answer that statement. So could President Truman and a host of other elective officials. For in the final analysis, only 58,588 votes assured Mr. Truman's victory and Mr. Dewey's debacle.

Closer to home, perhaps, another pertinent example of the impressive power of a ballot can be found in a recent Tree Fruit Agreement referendum in California. Only several hundred growers out of approximately 8000 voted. The result, however, is binding on the entire membership. As in a presidential election, the results are just as sure regardless of how many or how few actually vote. Under the Marketing Agreement Act, growers must approve a proposed agreement before it can be made effective and a two-thirds majority, by either number or volume, of those who vote decides the election.

To bring about a clearer perspective of the value of every ballot—in view of coming marketing agreement referenda which are of the utmost importance to California and the growers involved—the significance of the recent national election cannot be overlooked. No election is more important to the nation than that for the presidency. Yet, as mentioned, only 58,588 votes spelled victory for President Truman—and this in a contest where 48,680,416 men and women voted. Mr. Truman, in winning, received less than half the popular votes. (Actual figures: Truman, 24,104,836; others, 24,575,580.)

Noteworthy, too is the fact that approximately 50 per cent of the registered voters did not cast a ballot for any presidential candidate.

However, it is not the purpose of this column to present statistics on the Truman-Dewey contest as a matter of past history, but primarily to break down the dangerous myth that "one vote makes no difference." Every vote counts in every single election, whether for the President, congressmen, state legislators, county supervisors, or justices of the peace.

Again in respect to federal marketing agreement and order programs, there is no better example

News from ORCHARD CITY GRANGE

By ROBERT WURFER, Sr.

The regular meeting of Orchard City Grange 333 was held February 8 at the Odd Fellows hall in Campbell with worthy master Martin Walsh presiding.

As usual there were several visitors present including worthy master F. Carey of Almaden Grange where 10 of our new members received the third and fourth degree in full from February 2. Most of these were present at our meeting including Arthur Rodeen, Nancy Rodeen, Muriel Smith, Ivy May Rodt, Sarah Byrnes, Elena Robinson, Ludia Whitehouse, C. F. Helmbold and Edward Wurfer.

Two former members, Mr. and Mrs. Harris who were living in another state for a number of years, were welcomed back into our Grange. Eight new applications were presented. Mr. Mark Purmort reported on civic improvements and told of several roads that need repairs. Mervin Keesling reported a better outlook on front marketing.

Mrs. Barnes' Home and Garden committee spoke on how to start a compost bed. Mr. Gordon was given charge of the Grange sales slip contest again this year. He advises you to bring in your sales slips as there are many good prizes for the members as well as the Grange. And reminder to send in your applications for the Physician's service insurance before February 25 was made by Herbert Shadle, secretary.

It was decided not to have our next regular meeting in February owing to the Old Settlers' Day activities that week.

That fundamental fact holds true no matter what the scope of an election.

The lecturer, Mr. Youngclaus, had requested the members to tell their favorite stories at meetings. A large number of stories were told which were a continuous laugh. Mr. Avon Jesse, a visitor from Maplewood Grange 660, Clackamas county, Iowa, gave a solo, "Bring To Me Only With Thine Eyes," and received a prolonged applauding. Mr. Wurfer gave an imitation of "Mr. Cohen on the Telephone."

Mr. Carey, master of Almaden Grange, complimented the members of the Grange on the excellent floor work and the co-ordinating of the meeting in general. He also announced the coming card party at Almaden Grange.

At the drill a collection for the March of Dimes was taken up. After winding up our regular business, the Grange assembled in the banquet hall where beautifully decorated tables awaited us with apple pie, coffee or tea. On the refreshment committee were Mrs. Raab, Richard Morill, Jr., Mrs. Myriam Morill, and Mrs. Sawyer. They all received a vote of thanks for the fine job.

Ada Lodge Carry Out Hobo Theme

"Hobo Night" in theme and in costume highlighted the Tuesday meeting of the Ada Rebekah lodge at the IOOF hall. Chairman for the evening was Neva Kenny. Presiding over the regular session was Leila Merritt.

Assisting in carrying out the theme were Anna Bachman and Reba Chappell. After the business meeting those who wore costumes marched in a hobo parade. Neva Kenny was awarded first prize for the most unique and humorous costume. For a neckpiece the winner wore an electric bow tie. Walter Silverbauer won second and Ruth Livingston third prize in the costume contest.

The decorations went hand-in-hand with the hobo theme. Around the hall were hobo fires with black coffee pots above. Flashlights were used to give the fire illusion. Each of the costumed members brought an article for the Mulligan stew. Refreshments were served with newspapers being used as place mats.

Rotary Invites Scout Delegation To Local Meeting

In connection with Scout Week members of the Campbell Rotary heard several scout representatives speak at the meeting Monday in the IOOF hall. President James B. Arends, Sr., presided.

Scout executive Kenneth Robinson brought three scouts with him to tell the Rotary members the aims of the scouts of America. Robinson spoke on the ideals and principles of scouting and the training of youths as future citizens.

Also on the program were shown two reels of sound pictures of the "American Way of Life," and "Training of Scouts."

Scouts who attended the meeting were Harold Toy, senior, Explorer Post 2; Bob Dalzell, boy scout troop 31; and John Duncan, cub scout, pack 9.

Thirteen visitors were at the Monday meeting, according to secretary Forrest Reese. Four visitors were from San Jose, three from Beverly-Burbank, three from Los Gatos, one from Willows, one from Santa Clara, and one from Cleveland, Ohio.

Frank Accardi was appointed chairman of the Visitation committee. He will select six of more members from Campbell to visit other clubs of the county to advertise Old Settlers' Day.

Friends Donate Over \$100 For Living Memorial to Mrs. Kennedy

Relatives of Mrs. Ella Giles Kennedy, who died in Campbell January 16 at the age of 92, made a request that no flowers be sent to her funeral. They asked instead that those who wished to send something might make a donation to the Visiting Nurse Association. Nurses of the association had assisted with the care of Mrs. Kennedy during the last months of her life.

This week Helena Tepper, director of the association, revealed that over \$100 has been received in honor of Mrs. Kennedy whom so many loved.

"Relatives and friends from far and near have sent donations to our agency, the money to be used as a memorial to Mrs. Kennedy," said Miss Tepper. "Now we can, because of these generous contributions, visit even more people in the area who want and need our aid. Our thanks go to all of those who contributed and the family for this gesture of good will."

Among survivors of Mrs. Kennedy well known in this area are her daughters, Miss Florence, recently retired from a position at Food Machinery Corp., and Miss Elizabeth, a members of the County Library staff. Both live in Campbell, as do two of Mrs. Kennedy's sons, E. Russell and Robert W. Cecil G. Kennedy of Hollister and Mark E. Kennedy of Gilroy are also her sons.

Coad was killed in Italy in 1944. He was a member of the 88th Ranger Division. His body is being returned to Antioch for burial there. In Antioch are his widow, Mrs. W. Coad and two daughters.

Coad attended Campbell grammar and high schools before entering the service. One brother, Henry G. Coad, formerly in the Navy, now resides in Campbell with his parents.

The Campbell Party, this area's earliest settlers, started out as a caravan for the West on April 1, 1846.

Mrs. Rose Kelly Gives Talk At 12th Anniversary Celebration Of St. Lucy's Women's Guild

Mrs. Rose Kelly was guest speaker at the 12th anniversary celebration of St. Lucy's Women's club Thursday, February 3, in the Parish Hall. Mrs. Kelly spoke on the need of cancer pads for the Antone Hospital guild.

Mrs. Ira Grim, first president of the club, read a short summary of the activities of the club since it was founded in 1937 up to the present. Mrs. Ida Levenberg was chairman of the program.

The president and six of the past presidents were presented with sweet pea corsages and seated at the honor table. Father Dennis Kennelly was also seated at the table of honor.

After visitors and six new members were greeted a report was given on the last afternoon card party. Collected was \$46. Chairman was Mrs. Mary Triguero, who thanked her committee for helping to make it such a success.

At a previous meeting it was decided that each member would earn a dollar to donate toward the fund to help pay for the new caskets for the altar boys. The women collected \$30.15 at the meeting. Each of the clubwomen related how she earned her dollar for the fund. Mrs. Marie Homen made the caskets.

The women, after hearing Mrs. Kelly's speech on the need of cancer pads for patients, decided to meet Tuesday in the Parish Hall to start making the needed pads.

Hostesses for the anniversary were Mrs. J. O. Souto, Mrs. H. J. Ramp, Mrs. G. C. Sonnicksen and Mrs. F. P. Robba. They decorated the tables in beautiful pastel colors and highlighted each with lighted candles. The members sat at places marked with individual cakes with one candle.

On the program Clorinda De Leonardi sang two songs accompanied by Jeanette Gomes. Connie Silva played two selections on the electric guitar.

Also presented were two costumed folk dances. Girls who participated were: Connie Silva, Mary Aberle, Patty Pfeffer, Ann Chambers, Patty Devett, Joan Peser, Vivian Andres, Merlyan Shaves, Donna Burnett, Arlene Continho and Patty Romano.

Father Kennelly was called upon to say a few words. Members also thanked Mrs. Ida Levenberg for her work in making the 12th anniversary such a success.

This program, which last year drew over 100,000 entries from the United States, its territories and Canada, provides art students in junior and senior high schools with opportunity to compete for recognition of their talents.

Following judging by a group of distinguished artists, winning entries from Northern California will be exhibited at the Emporium from February 26 through March 12. Gold achievement keys and certificates of merit will go to the regional winners. Following this showing, the key-winning pieces will be forwarded to Carnegie Institute in Pittsburgh where they will be judged in competition for thousands of dollars in prizes and 90 scholarships to leading art schools.

The local school's participation in the competition was arranged through Olive Upton and Mrs. Marian Winstin of the school's art department.

Students Learn Office Machines

Experience is the best teacher, say students in the Campbell Union high school. By operating office machines in the classrooms the students are learning techniques used in offices today.

Included in the projects for the course are typing and mimeographing of tests, office bulletins, outlines of courses, ballots, programs and tickets. Students learn to work rapidly, as many short notices are received not only from the school but also from the community.

Office machine classes recently turned out a 40-page orientation syllabus and a booklet for the school P.T.A. Other projects include the use of a dictaphone transcription machine Monroe calculator and Rex-o-graph duplicator.

TO BE HERE FOR OLD SETTLERS DAY PROGRAM

Shown here is the country-famous gold and bronze California Centennial float which has just returned from Washington, D. C., to be exhibited in the Old Settlers' Day celebration and parade in Campbell on February 22. The huge float appeared in President Truman's inauguration parade under the personal supervision of Governor Earl Warren.

Mayo To Head Fund To Offset Scout Deficit

At a recent meeting of the District Scout Committee, Arthur R. Mayo, District Finance Chairman, was nominated to head a campaign to raise funds to offset the 1949 Scout Budget deficit caused by the allocation to the Scouts of only \$900 of their \$2800 budget estimate submitted to the local Community Chest.

Ken Robinson outlined the aims of the National Scout Council scheduled two-year program to "Strengthen the Arm of Liberty." This program has received the personal commendation and approval of President Harry S. Truman, as being one which will inculcate among the nation's youth the real meaning of Liberty as enjoyed by we Americans, and thereby help them realize the value of Citizenship. With the accomplishment of these two purposes much will have been done to answer the pertinent question of what is happening to the rising generation, and solving the present day youth problem.

The application of the Methodist Church to be granted a Charter for Cub Pack 19 was favorably reviewed, and forwarded to the local Scout Council office with approval and recommendation for acceptance.

Man With Slouch Should Be Happy Says Conn. Expert

The chances are that almost every married man, from whom the first fair bloom of youth and vigor have rubbed off a bit, has had to endure some variant of this constructive criticism from his ever loving helpmeet:

"For goodness sake, will you quit slouching! You're beginning to look like the hunchback of Notre Dame!"

Drawing himself up to his full 5 feet whatever (plus 2 inches if wearing elevated shoes), shoulders squared, chin and chest out, stomach in, the harassed male can only murmur, "Yes, dear"—and collapse a moment later at the insistence of his protesting muscles.

Comes now, however, Dr. Charles M. off, a posture specialist from Hartford, Connecticut, whom history undoubtedly will record as the greatest benefactor of mankind since the inventor of shoulder pads. Last week, Dr. Goff announced that the average male with a slight slouch and a rounded back is healthier than the Greek gods who adorn the covers of physical culture magazines.

The slouching man, according to the doctor, lives longer because he saves energy. Furthermore, he's more efficient than the perfect-

In every part of the nation more than 2,200,000 boys and their adult leaders, will observe Boy Scout Week, Feb. 6th to 12th, marking the 39th anniversary of the Boy Scouts of America. The theme of the celebration is "Adventure—that's Scouting!" This year the movement is emphasizing the fun and fellowship its members get out of the game of Scouting. More high adventure is planned in the out-of-doors. Their adventure in citizenship will find Scouts emphasizing civic service activities, emergency service training and world Scouting relationships. During Boy Scout Week, Scouts, their parents and countless communities will honor the volunteer adult leaders of the nation's 70,000 Cub Packs, Scout Troops and Senior Units. Above is the official poster marking the Scout birthday.

postured Adonis because, being relaxed, he's always ready for action.

The next time any husband gets that "why can't you stand up straight?" routine, he can tell the little woman off, citing Dr. Goff as Authority. From force of habit, though, as he screws up his courage to do so, he'll doubtless square his shoulders, throw out his chin and chest, and pull in his stomach.

Only 10 more days remain before Campbell's 57th annual Old Settlers' Day is celebrated. A play, carnival, and a huge float parade will be on the agenda starting February 19 and climaxing on February 22.

Campbell Couple Sponsor Dance For March of Dimes

A March of Dimes dance will be held tonight at Tracy Gardens starting at 8:30 p.m. Sponsors of the affair are Mr. and Mrs. John Rix, Campbell.

The Moonshine Mountaineers will provide the music and comedy for the dance and Nick Mardi and his trained police dog will perform in the floor show.

"Come out and dance so the crippled children might walk," urges Mrs. Rix. The dance is open to the public.

Campbell's Old Settlers' Day is the oldest annual community celebration in Santa Clara county, and, except for the Pasadena Tournament of Roses, perhaps the oldest in the state.

SEN. WILLIAM KNOWLAND—"The filibuster is an obstruction to the proper functioning of our government and is never justified."
